

MAXIMIZE COMPANY NEWS AND INFORMATION DISTRIBUTION THROUGH OTC DISCLOSURE & NEWS SERVICE AND PR NEWSWIRE

Through OTC Markets Group's OTC Disclosure & News Service, companies can ensure that their news distribution is maximized to reach the widest possible audience of U.S. investors, market data distributors, investment databases, media outlets and broker-dealers.

To further help companies streamline news distribution and build visibility, we have integrated our OTC Disclosure & News Service with PR Newswire, a global leader in news distribution, investor relations and SEC compliance solutions. The integration service provides OTCQX®, OTCQB® and Pink® companies a cost-effective and streamlined way to broaden the dissemination of their company news and information to investors and mitigate SEC risk, by leveraging PR Newswire's expansive network - all through a company's OTCIQ.com account.

FREQUENTLY ASKED QUESTIONS

▶ HOW DOES THE INTEGRATION SERVICE WORK?
